VCM 05U

Performance features

+ Compact ventilation control panel

+ Up to 0.5 A total drive current

+ 1 ventilation group

+ Ventilation safety function (key operation OPEN / CLOSED)

+ Optional connection to rain detectors or wind / rain sensors without an additional module

+ Flush-mounted installation in deep switch box Ø 58 mm

Technical data

	VCM 05U
Supply	230 V AC / 50 Hz / 15 VA
Output	24 V DC / 0.5 A
Mode of operation	Short-time duty 20 % duty cycle
Type of protection	IP 30
Temperature range	0 °C … +50 °C
Group(s)	1
Housing	Plastic
Colour	Light grey (~ RAL 7035)
W x H x D	50 x 48 x 28 mm
Weight	0.13 kg
Art. No.	30.241.40

Example of application
